International Symposium on Artificial Intelligence (AI) in Education - Interdisciplinary Perspectives

Date: Friday 06th September 2024

Venue: Main Building, University of Zurich (Rämistrasse 69, 8006 Zurich), Room KOL-G-217

Schedule:

Time	Presenter	Topic	Presentation Mode
08:30 – 09:00	Coffee & Registration		
09:00	Professor Roland Reichenbach, Institute of Education, University of Zurich, Switzerland	Opening & Welcoming Talk	Face-to-Face
09:20	Prof. Dr. Nicolaj van der Meulen, Academy of Art and Design Basel, University of Applied Sciences Northwestern Switzerland	Digital Judgment? Thoughts on AI-Generated Images and some Consequences for Education	Face-to-Face
10:00	Professor Sascha Schneider, Institute of Education, University of Zurich, Switzerland	Blurring the Lines: How Perceptions and Attributions of Human vs. AI Authorship of Instructional Materials Affect Learning	Face-to-Face
10:50 – 11:20	Break and Networking		
11:20	Professor Steve Jacques, University of Leicester, UK	My experiences of using AI in medical education	Face-to-Face
12:00	Professor Davood Masoomi, University of Gavle, Sweden	Investigation and application of artificial intelligence in teacher training system, requirements and consequences	Face-to-Face
12:40	Professor Dominik Petko, Institute of Education, University of Zurich, Switzerland	AI in Upper Secondary Education: Mapping Uncharted Territory	Face-to-Face
13:20 – 14:20	Lunch & Networking		
14:20 (Workshops)	Ms Terese Bird – University of Leicester, UK	AI Ethics in Academia: Collaboratively Crafting a Future-Ready Framework	Face-to-Face
	Dr Morteza Rezaei-Zadeh	The future of education in light of AI	Face-to-Face
15:15	Moving back to the main hall		
15:20 – 16:00	Professor Dr. Roberto Simanowski, Freie Universität Berlin	AI as tool and object in teaching	Virtual
16:00 – 16:40	Professor Abasalt Khorasani, Shahid Beheshti University, University of Zurich	Application of artificial intelligence in training and development of human resources	Face-to-Face
16:40 – 16:50	Professor Roland Reichenbach, Institute of Education, University of Zurich, Switzerland	Closing	Face-to-Face
